FIGURE 21

The screenshot shows a mobile application interface for a nurse. At the top, a status bar displays "Nurse A, RN" and a "Log Out" button. Below this is a dark header bar with the text "Select UNIT". The main content area features a text input field containing "Neurology ICU". To the right of the input field is a small square icon with a downward arrow (2107) and a circular button with a right-pointing arrow (4809). A large, empty rectangular box is positioned below the input field. Handwritten labels with leader lines point to the header bar (2105), the right arrow button (4809), and the empty box (2107).

FIGURE 22

The screenshot shows a mobile application interface for selecting a work shift. At the top, a status bar displays "Nurse A, RN" and a "Log Out" button. Below this is a dark header bar with the text "Select WORK SHIFT". The main content area has two radio button options: "Standard Shift" (which is selected) and "Customize Shift". Below the "Standard Shift" option is a text input field (2255) with a small square icon with a downward arrow (2107) to its right. To the right of the input field is a circular button with a right-pointing arrow (4809). Below the "Customize Shift" option, there are two time selection sections. The first section is labeled "Time" and contains "Start:" followed by two digital time pickers showing "18" and "30". The second section is also labeled "Time" and contains "End:" followed by two digital time pickers showing "00" and "00". Handwritten labels with leader lines point to the header bar (2211), the right arrow button (4809), the "Standard Shift" radio button (2255), and the "End:" time picker (2107).

FIGURE 27a

The screenshot shows a web-based interface for a medical workflow. At the top, there is a header bar with a home icon, a user profile icon, the text "Ninety-Three, James RN", and a "Log Out" button. Below the header, the main content area has a dark background with white text. It starts with "WORKFLOW INFUSION: STOP" in bold. Below that, it says "Ninety-Six, Samuel, Mr. MDRoom1 - MDBed1". There is a link for "Mini-Chart Allergies". A "Scan Item:" field with a right-pointing arrow icon is present. The infusion details are listed: "Continuous Infusion", "Dextrose Inj 20%", "500 ML", "Route: Intravenous Flow Rate: 125 ML/H", and "Estimated Administration Period: 4 Hours". A status message "Order has been DCD" is shown. At the bottom, there is a button labeled "Back to Patient list".
